Section 3: Supporting Information

The information you provide in sections 1, 2 and 3 will be used to help inform the admission decision. The published oversubscription criteria will be applied if there are more applications received at the same time than there are places available. A place will be offered in the year group requested only where a further admission would not '*prejudice the efficient delivery of education or the efficient use of resources*' or, where applicable, unlawfully breach the statutory Infant Class Size Limit.

If a place **can** be offered, the information you provide below will help the Admissions Committee to determine any specific support your child will require on joining the school.

If a place **cannot** be offered and your child is not on roll or attending a school at the time of application, the information you provide below will help the Admission Authority to identify whether they qualify against one or more of the criteria set out in Somerset or Bath and North East Somerset Fair Access Protocol. Where this is the case, the Admission Authority will refer your application to the relevant council in order that an officer might engage with you and help secure a suitable educational placement without undue delay.

The Admission Authority or an appointed agent may contact you to discuss the information you provide in order that your circumstances are clear and that you are supported as fully as possible throughout the In-Year admissions process.

Fair Access Criteria

The law requires that each local authority must have a process, agreed with the majority of schools in its area, to ensure that unplaced children, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. This process is known as the Fair Access Protocol.

The information below will enable consideration of whether the Fair Access Protocol can be invoked should you be unable to secure a school place under the normal in year admission process. Please tick all boxes that apply to your application/child. Please note that ticking any of the boxes below does not guarantee a place at your preferred school.

A	Children either subject to a Child in Need Plan or a Child Protection Plan or having had a Child in Need Plan or a Child Protection Plan within 12 months at the point of being referred under the Protocol;	
B	children living in a refuge or in other Relevant Accommodation at the point of being referred to the Protocol;	
C	children from the criminal justice system;	
D	children in alternative provision who need to be reintegrated into mainstream education or who have been permanently excluded but are deemed suitable for mainstream education;	
E	children with special educational needs (but without an Education, Health and Care plan), disabilities or medical conditions;	
F	children who are carers;	
G	children who are homeless;	
H	children in formal kinship care arrangements;	
I	children of, or who are, Gypsies, Roma, Travellers, refugees, and/or asylum seekers;	
J	children who have been refused a school place on the grounds of their challenging behaviour;	
K	children for whom a place has not been sought due to exceptional circumstances;	
L	children who have been out of education for four or more weeks where it can be demonstrated that there are no places available at any school within a reasonable distance of their home. This does not include circumstances where a suitable place has been offered to a child and this has not been accepted;	
M	previously looked after children for whom the local authority has been unable to promptly secure a school place;	
N	children who are known to the police and a number of other agencies (eg county lines);

Section 5: Declaration and Signature

This application will not be processed by the Admissions Authority unless all sections above are completed and the form is signed and dated by the applicant.

By submitting this application form, the applicant confirms the following:

- I understand that applications must be made by the child's legal parent/carer and that by signing the declaration below I will be confirming my understanding of the information provided on this application form and that the information I have provided is correct.
- I accept that the Admission Authority reserves the right to withdraw school places which have been obtained by providing incorrect or misleading information.
- I understand that it is the parent/legal carer's responsibility to ensure that the Admission Authority receives the completed application form safely. Where this application is submitted as an attachment to an email, the applicant agrees and accepts full responsibility for the child's information being submitted via a non-secure email platform (subject to the conditions and requirements of the Data Protection Act 1988). If this is unacceptable, this Application Form should be completed and submitted as a paper copy, to be posted or hand delivered. I note that it is recommended that any postal copy is sent via Special Delivery post.
- I accept that where parents equally share Parental Responsibility and two applications are submitted for the same child, the Admission Authority will require the parents to agree which application is to be considered and which should be withdrawn. If parents cannot agree and there is no court order to determine majority responsibility, the preferences indicated by the parent who receives child benefit for the child concerned will be awarded a higher priority than the application received by the other parent.
- I accept that the child's home address must be the place where the child permanently resides for the majority of the time. This would normally be at the same address as the person who has Parental Responsibility for the child and is their main carer. Where the child spends equal amounts of time with

both parents/carers, the Admissions Authority will consider the place of residence of the parent/carer who receives Child Benefit to be the child's home. Evidence of parental responsibility will be required should there be any doubt and the Admissions Authority may undertake thorough residency checks and reserves the right to request independent confirmation of the child's address.

The information provided may be shared by the Admission Authority to the extent that is necessary to determine the school admission decision, subject to the requirements of the Data Protection Act 1988

Section 7: Important Information

Moving school for whatever reason is a very important decision. It is a decision which can have significant negative effects and disruption, not only academically but also in terms of mental health. Leaving a school midway through a term or year can disrupt friendships as well as relationships with school staff and the wider community. Children who change schools may struggle with the transition process and find it hard to settle in or feel that they belong in a new school environment. Multiple moves can be particularly challenging, but even single moves, especially when associated with other factors such as changes within a family like divorce, poor parental mental health etc. can affect a child's sense of belonging to a school as well as their confidence, self-esteem and attainment.

All schools within the Trust appreciate that there are many reasons for parents/carers seeking to move their child's school, including having to move for personal or work reasons. Schools will work closely with parents and carers to ensure that any transition to a new school is as supportive for the child as it can be and will do all that they can to minimise any impact. However, we would suggest that a change of school is considered very carefully before making the decision to apply for other schools. Please:

- Discuss a potential move with your child's current school.
- Visit or speak with all preferred schools before making applications.
- If you are moving to the area, consider applying for more than one school at a time to speed up the possibility of securing a school place.

The information requested in section 8 and 9 below is used solely for the purpose of identifying whether your child meets the criteria for consideration under the Fair Access Protocol and to assist with planning for your child's admission. If the information does not allow for the application to be considered under the Fair Access Protocol then the information will not be used to determine whether or not to offer your child a place.

IMPORTANT: YOUR APPLICATION WILL BE NEITHER ADVANTAGED NOR DISADVANTAGED BY COMPLETING THESE PARTS AND THERE IS NO STATUTORY REQUIREMENT TO COMPLETE PARTS 8 AND 9. WE WOULD HOWEVER, ENCOURAGE YOU TO CONSIDER SHARING INFORMATION ABOUT YOUR CHILD IN ORDER TO HELP TO SUPPORT A SUCCESSFUL TRANSITION.

Section 8 is to be completed by parent/carer and Section 9 to be completed by current or previous school wherever possible
