

Introduction to our topic

Have you ever wondered about the food that you eat? Where does it come from? What type of food is good for you and what is a balanced diet?

This term Dragonfly class will be learning all about healthy eating. We will follow recipes and have the opportunity to try food we haven't tried before. As well as learning about healthy eating, we will be thinking about why exercise is good for us.

At the end of the term, we will use everything we have learnt about food and healthy eating to plan and throw our own tea party. We will send out party invitations, make party hats and play party games.

Our key learning this term

Personal and social development	Our school value for the term is happiness.
English	<ul style="list-style-type: none"> - Instructions - Story writing - Character descriptions - Invitations
Maths	<ul style="list-style-type: none"> - Place value - Addition and subtraction
Science	In our science lessons we will be able to identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense. We will also be learning about healthy, balanced diets. They will also learn about the importance of exercise and hygiene.
The Arts (Art & Design, Music, Drama)	DT - In DT we will be using a range of equipment and ingredients, to prepare food for a party. We will also be designing and making our own tea party hats. Art- We will make and decorate bowls made from modrock.
Geography	When learning about different types of food, we will find out where the food comes from and identify the different countries on a map of the world.
History	For Black history month we will be learning about Ruby Bridges. Ruby Bridges was the first African-American child to go to a white school after desegregation in southern

	America. We will link it with our own experiences of school.
RE	As a part of our RE lessons, we will be thinking about where we belong. We will be learning about community and will be linking this idea with religion and our families.
IT	In our IT lessons we will be learning how to use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other
P.E.	In PE we will be focusing on coordination. The children will be working on catching and throwing and applying these skills to some games.
Modern Foreign Language this term	The children in Dragonfly Class will locate countries where Spanish is spoken. They will also begin to use single words, phrases and short sentences in greetings and to ask someone's name.
