Dear Parents/Carers,

In what has been another year affected by Covid, the resilience of our young people continues to amaze and impress us.

We have much to celebrate across the Trust with a strong set of end-of-year assessment results, indicating that the work we are doing to ensure that the children's education is not disadvantaged by the pandemic is having an impact. It has also been wonderful to see a return to the development of a wider curriculum and in particular those enriching activities and trips that have provided an opportunity for many of our young people to have a more 'normal' school experience.

Our sincere thanks for all of the support that you have offered our schools over the past year and we hope that you have been able to enjoy some of the many opportunities across our schools to come together again in this last term of the year.

We would also like to take this opportunity to pay tribute to the skilled and dedicated staff teams across our schools. I am sure that you will join us in wishing them all a well-earned and relaxing break.

Finally, we hope you and your family have a wonderful summer break which affords you the opportunity to spend some time together and to rest and recharge. For those young people and their families who have reached the end of their time with our schools and who are moving onto new pastures, we wish you all the very best.

Kindest regards,

Chris Nye
