Item	Topic	Discussion (Questions raised through the parent groups, and responses from SM)	Actions
1	Go over actions from previous meeting	SM went through each topic in last term's meeting.	Query over whether we should combine Father's Day and Sports Day- asking Dads to take too much time off. Is this easier than Dads taking two afternoons off? Could send it survey to Dads, asking what they'd prefer. The H & S of the parent/child relay race was brought up. Will look into possible alternative race for next year.
2	Dojo points in Dragonfly	There was a query as to how Dojo points are used in Dragonfly Class from the current Duckling parents.	Clear message from the school in September explaining how Dojo points can be earned
3	Lack of positive reinforcements for homework	Some parents felt that not all homework was getting the positive reinforcements that it deserves.	Clear message from the school in September explaining what is expected regarding homework including rewards.
4	Signed book from author	When will the ordered signed copies of the book parents have paid for arrive?	SM emailed author on 8.7.22 to confirm they will arrive by the end of the term.

5	Infant trip	Query over what the children should bring with them for the trip.	NR and JC to make it explicit on Dojo to parents regarding what to bring.

Kayleigh Sivier had messaged SM on Dojo that there was no feedback from Kingfisher parents.
