Children at our HEART

Come and visit our village school - places available now!

“A dedicated staff team, a close-knit community and happy, well-behaved children”

“The school knows each child individually and embraces their weaknesses as well as their strengths”

Parents, July 2017

Our school has been at the heart of the village for over 100 years and continues to offer a welcoming, happy and safe environment for the children from Pensford and surrounding areas.

We encourage individual thought, questioning and creativity, making sure that we do the best for every single child and that they have the support they need to develop their full range of talents and grow as individuals.

An Ofsted Good School

Parents are positive about the school and would recommend it to others... Pupils behave well in lessons and enjoy their learning. They demonstrate respect for everyone's contributions by listening and discussing more widely.”

Debbie Marklove, Ofsted Inspector (22-23 March 2017)

Come and Visit...

Please contact our Head Teacher, Warrick Barton, to arrange an informal tour and meet some of our teachers and pupils.
